The diagram illustrates a search interface layout with the following components and labels:

- 20**: Points to the overall search interface frame.
- 201**: Points to the top section containing the keyword input and search button.
- 2011**: Points to the **keyword 1** input field.
- 2012**: Points to the **search** button.
- 202**: Points to the database selection section.
- 2021**: Points to the checkboxes for **DB₃**, **DB₂**, and **DB₁**.
- 2022**: Points to the database selection area.
- 203**: Points to the article selection section.
- 2031**: Points to the checkboxes for **article 1**, **article 2**, **article 3**, **article 4**, and **article 5**.
- 2032**: Points to the **associative document search** button.
- 2033**: Points to the article selection area.
- 204**: Points to the word selection section.
- 2041**: Points to the checkboxes for **word 1** through **word 10**.
- 2042**: Points to the **search from topic words** button.

Fig.11

A diagram of a user interface form for login and registration. The form is a large rectangle containing the following elements:

- A label "user :" followed by a text input field.
- A label "password :" followed by a text input field.
- A button labeled "login" at the bottom left.
- A button labeled "register" at the bottom right.

Reference numerals point to specific parts of the form:

- 205 points to the outer frame of the form.
- 2051 points to the "user :" label.
- 2052 points to the first text input field.
- 2053 points to the "login" button.
- 2054 points to the "register" button.
